October 2, 2018

St. Joseph's Catholic High School

At the beginning of the 2018-19 school year, St. Joseph's Catholic High School got a new vice principal, Mr. Morrison.

Mr. Morrison got a call from the Simcoe Muskoka Catholic District School Board asking if he would like to come out of retirement and work at St. Joseph's. Mr. Morrison accepted the offer because he wanted the chance to work with Mr. Timmins.

Mr. Morrison in his new office at St. Joseph's Catholic High School

In the past, Mr. Morrison has taught science, math, computers, credit recovery and helped with co-ops. He has worked in schools for 32 years now; it has always been part of the Catholic school board. He chose to work with the Catholic school board because his faith has always been a very important part of his life, and he would love for it to be like that in other people's lives as well.

He grew up going to Catholic schools because his faith is very important to him. It was the teachers at the schools he went to that inspired him to become a teacher. He grew up in Toronto and went to school there, but then in 1987 he chose to move to Orillia to become a teacher.

“My biggest accomplishments are getting married and having a family, going to Kenya with St. Joan Of Arc, and making a difference in people's lives and their faith,” said Mr. Morrison.

“Love yourself. God doesn't make mistakes and God made you,” is Mr. Morrison's advice.
