Ms. Urquhart is the new vice principal of St. Joseph's Catholic High School. She was assigned the position in July 2018. She is very excited to be here. She said, "St. Joseph's has an excellent reputation."

Ms. Urquhart was a music , social science and religion teacher before she came to St. Joseph's.

She has been teaching with the SMCDSD for 19 years. She chose this school board because she went to a Catholic school growing up in Windsor, Ontario. She was influenced by her teachers to do the same work as them.

Ms. Urquhart did all her schooling in Windsor, including the university she attended which was the University of Windsor.

Ms. Urquhart has also accomplished a lot of things in her life; for example, she helps families who are in need, she went on a mission trip to Nicaragua, and she is a proud stepmother and wife.

A quote that Ms. Urquhart likes to live by is "We are not called upon to do extraordinary things, but to do ordinary things with extraordinary love."
