The St. Joseph's Football team kicked off their season on Thursday September 27 with a very eventful game. This brand new team has been working hard and it shows; coach Mr. Scott has done a great job putting together this year's team.

St Joseph's played against St. Joan of Arc, doing a fantastic job representing our school. With the game being held at Georgian College, it was an away game for both teams. The Jags played great, staying in the lead for the first three quarters and even scoring a touchdown.

Aside from all the typical excitement, a few other things happened during the game. Dakota Courchesne, a defensive back, sprained his finger in an attempt to intercept the ball. Despite his injury, he played through the rest of the game.

"I think we played well, but we could be better as a team," said linebacker, Alex Munoz. Bradley Fehrenn, another member of the team, was quoted as saying. "I think we played pretty good for a brand new team."

Unfortunately the Jags lost to St. Joan of Arc 7 to 12. Even though the game was lost, they played a wonderful game.
